NATIONAL DAY

INTRODUCE THE ACTIVITY – What is your favourite national holiday?

EXPLAIN THE RULES – You are making an impromptu speech, so you do not need to prepare anything! Pick a topic and you have 10 seconds to prepare. Then speak about the day for 45 seconds, saying as many of the things which make your day worth celebrating.

VOTE ON THE DAY – Students can vote on their favourite speeches.

This is a great way to improve fluency, think quickly on the spot, and gain confidence in front of others.
