

Super Spy

- Create groups of 3 - 1 boss and 2 spies
- Before the game starts, the boss will give a location and mission: "Your mission should you choose to accept it is to release **The Queen of Norway** from the **Russian high security prison**."
- The spies have returned from the mission and have 2 minutes (switch every 30 seconds) to debrief their boss on their success.
- The boss times the debriefing and prompts the spies to switch speaking after the 30-second mark.
- Based on their speech, the boss decides who will be promoted for their hard work and notifies the spies as to why.
- Be creative! Switch up so every gets a chance to be a boss and spy!
